

FESTOON LEADS

INTRODUCTION

Bring warmth and atmosphere to your patio or garden with the Synerji 10M Festoon Leads. Designed for easy linking, you can connect up to 10 leads with a maximum load of 750W. Rated IP44, they're suitable for outdoor patio and garden use — simply pair with compatible lamps such as the Synerji Fireworks or Wire lamps and ensure they hang downward. Each 10m lead includes 10 x E27 lamp holders (lamps excluded).
