

LED ROUND MODULE LAMPS

INTRODUCTION

The Synerji 25W Round Module Lamp offers powerful, energy-efficient illumination designed for larger spaces. Available in Cool White and Daylight, it delivers bright, even light with excellent colour consistency and minimal glare. Ideal for commercial, retail, and residential applications, this high-performance LED module combines durability, low maintenance, and superior brightness—making it the perfect upgrade for modern lighting environments.

ROUND MODULE LAMP 25W

Diameter: 134mm
Height: 25mm
Weight: 95g
Luminous Flux: 1300lm
Lumen Efficacy: 92 lm/W
Colour Rendering Index: (Ra) ≥80
Dielectric Strength: (V) 1500V
Surge voltage: 500V
Beam Angle(°): 160°

WARRANTY 2 YEARS WARRANTY
