

T26 DOMESTIC LAMP

INTRODUCTION

The Synerji LED T26 Domestic Lamp brings energy-efficient lighting to compact installations. With just 1.2 W of power and a warm white colour temperature of 3000 K, this lamp is designed for cosy indoor settings where soft, reliable illumination is required. The E14 (small screw) base makes it suitable for standard domestic fittings. Supplied in a trade-friendly pack of 200, it's ideal for bulk installations and everyday use.
