LED DOWNLIGHT PC

DOWNLIGHTS

INTRODUCTION

The Synerji PC Downlights offer a sleek and modern lighting solution, designed to complement a wide range of interiors. Crafted from durable, high-quality polycarbonate (PC) material with a

clean white finish, these downlights provide a stylish and versatile option for both residential and commercial spaces. Compatible with GU10 and MR16 light sources, they are easy to install and deliver efficient, reliable performance while maintaining a contemporary, minimalistic look.
