

INDOOR INSECT KILLER

INTRODUCTION

The Synerji Insect Killer 2 x 10W provides reliable and hygienic insect control for small to medium indoor areas. Using two efficient 10W UV lamps, it attracts and eliminates flying insects such as mosquitoes and flies safely and effectively. Designed with a durable housing, protective safety grid, and removable collection tray, this unit offers easy maintenance and energy-efficient operation, making it ideal for homes, cafés, kitchens, and offices.
