EXTRACTOR FAN

INTRODUCTION

Available in 28W and 38W models, the Syneji Extractor Fan is ideal for residential and commercial spaces like bathrooms, toilets, and laundries. Its removable grille keeps flies and insects out while allowing easy cleaning. Powered by a durable ball bearing motor, it delivers quiet, reliable performance—perfect for any environment where air circulation and noise control matterWhether you're upgrading your home or outfitting a commercial space, the Syneji Extractor Fan delivers reliable performance, easy upkeep, and a sleek, unobtrusive design that blends seamlessly into any setting.
